

## Peter Fisher

Director

BA(Hons) BArch MPhil(Cantab) RIBA

Peter joined Bennetts Associates in 2001 and became a director in 2014. He studied both architecture and environmental design and is a driving force behind leading-edge sustainable architecture in the office. Peter has been centrally involved in projects such as the remodelling of Hampshire County Council's Offices in Winchester, a rehoming centre for Dogs Trust and a new office and civic building for the London Borough of Camden. Current commitments include a new Student Services Centre for the University of Cambridge and an office development in Cardiff. Peter has taught, lectured and written widely on the subject of architecture and sustainability. He is a Design Fellow at the Department of Architecture in Cambridge and sits on the RIBA's Sustainable Futures Group.

University of North London, 2003 (RIBA Part III)

University of Cambridge, 1998
